MIND AND BODY:

YOGA; YOGA FLOW; POWER YOGA: Variety of Fitness style yoga, including Hatha and Vinyasa, using a flowing series of poses that create strength, flexibility, endurance, and balance. All fitness levels welcome.

PILATES: Improves flexibility, builds strength, and develops control and endurance in the entire body. It puts emphasis on alignment, breathing, developing a strong core, coordination, and balance.

STRETCH & RELEASE: An exercise recovery program designed to relax your muscles with gentle stretches. Increasing flexibility to minimize injury.

TAI BALL: 'Meditation in Motion' is a series of postures and body movements using a ball in a slow and graceful manner, with each movement flowing without pause to the next.

YOGALATES: A wonderful combination of Yoga and Pilates!

CARDIO:

BATA BODY: A Tabata style (interval) total body workout designed to get your heart rate elevated anaerobically for short periods of time.

WERQ: Fiercely fun dance fitness class based on pop, rock, and hip-hop music. High energy while great for all fitness levels.

FITNESS SURPRISE: Blast your cardio fitness level with a variety of cardio moves. You will challenge your aerobic and anaerobic threshold each time. Be ready to burn some bodyfat and calories! It's never the same routine.

CARDIO Drills: Blast your cardio fitness level with a variety of cardio moves. You will challenge your aerobic and anaerobic threshold each time. Be ready to burn some bodyfat and calories!

FOREVER FIT: An active aging low-impact class for our aging & ageless. Groove to old school music while working on cardio endurance, balance, strength, and stability.

CARDIO STEP 360: Using the Step 360s as the riser, the moves target your legs and core, building strength, agility, balance, coordination, and cardio. Compliments workouts for all ages and fitness levels.

STRENGTH:

BARRE & BEYOND: Uses portable ballet barres while doing exercises that focus on isometric strength training, combined with high reps of small range-of-motion movements. Targets core, butt, and thighs.

BUTTS-N-GUTTS: A butt-kicking, gut-wrenching, thigh-toning class aimed at improving your core and strengthening your back to improve posture and core strength.

CORE & MORE: While your core is certainly targeted, your whole body will be feeling the burn in this dynamic workout combining strength with light cardio.

KETTLEBELL STRENGTH: A fun workout teaching proper form and technique as you strengthen and tone your entire body using kettlebells. Benefits: cardio, flexibility, speed, power, strength, balance, and mental toughness.

SUPER STRENGTH: Boost your metabolism by increasing lean muscle mass, while toning, firming, tightening, and conditioning. Class incorporates dumbbells and body bars. Good for all fitness levels.

BURN & BUILD: Build strength and muscle mass while boosting your metabolism in a class designed for all levels.

PUMP: Our signature barbell & dumbbell resistance training workout formatted to music.
